INTRODUCTION

The Datsun Drivers Club now offers for 1982 bookings the facilities available at the Motor Sport Complex at Colo Heights.

The complex is approximately 60 kilometres from Windsor north along the Putty Road and caters for all types of club motor sport.

It stands in 271 acres of bushland and includes motorkhana grounds, rally tracks (approximately 13 kms.) and a C.A.M.S. licensed autocross/dirt circuit.

All venues can be hired as a whole or on a separate basis — by a club or privately by individuals.

Club bookings include free admission to the grounds to both competitors and spectators and clubs can cater for their own members.

The complex also lends itself to motor cycle riding, and bike clubs are invited to book for enduro-type racing or dirt circuit racing.

HIRING FEES (as at 1/1/1982) — Car Clubs:

Motorkhana grounds:	\$20.00 per day (club basis) *\$5.00 per day per car (individuals)
Rally tracks:	\$50.00 per rally (club basis) *\$10.00 per day per car (individuals)
Autocross/Dirt Circuit:	\$100.00 per day (club basis) *\$10.00 per day per car (individuals)

HIRING FEES —Bike Club:

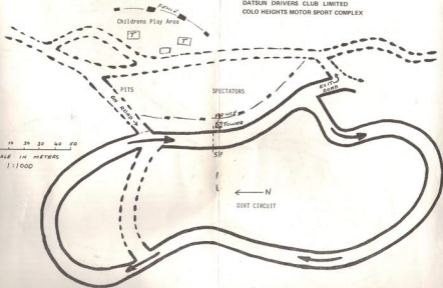

Special rates apply to Bike Club hirings, depending upon the type of event that is to be run.

Special prices can be negotiated should a club wish to make a weekend using all the facilities available.

* Special reduced rates apply to D.D.C. members only.

Approximately 13 kilometres of rally tracks are available for use for closed club rallies. Conditions vary from from straight, fast sections to steep mineshaft type of descent. All the tracks are closely interwoven to keep drivers and navigators alert at all times

Roads change from hard packed surfaces – to rocky – to sand – thus catering for all driving skills.

The road system is designed to use a central starting/finishing point, with all spectator points within comfortable walking distance. The rally complex is CAMS approved for 1/4 minute timing.

Facilities include picnic settings, barbecue plates, toilets, etc. There is ample parking area for both competitors and service crews. Camping is available for those who wish to stay overnight.

The rally tracks are also available for private hire and testing of cars, suspension modifications, etc., which can be carried out in complete safety.

Inexperienced crews can learn the skill of their craft at their own pace, thus making their chosen field of motor sport more rewarding.
