

COLO

To help club members see just what has been achieved at Colo over the past 12 months, we hope this pictorial of before and present may help.

The start of our motorkhana project - how it looked after the first clearing.

And now - it is now usable for events and ready for hiring to other clubs.

Entrance across
motorkhana grounds to
Ghost Gum Crescent.

Needs
a bit
of
clear-
ing be-
fore I
can use
my NEW
slicks

"BUSH COURT"
Judge Vigar presiding.

"What do you think,
Arthur - hang a right
here ? ? ?"

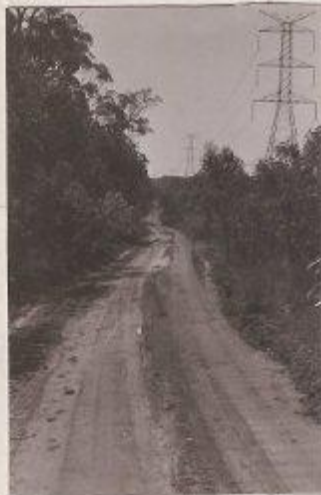

And as the sun sank
slowly in the west,
so did our
bulldozer.....

Greg, our dozer driver, led by George, finishes clearing the dirt circuit.

"COLO HIGHWAY"

The access road around the property.

Dirt Circuit --
top ↗ ↖ bottom straight.

9/10th June saw a large crowd of new and old club members helping at the Colo Working Bee

Major access
track to the
grounds and
used in all
rallies on
the grounds:
very fast -
great fun.

Some 15 Kms.
of tracks have
been made on
the grounds
and it is

hoped to in-
crease this
to some 20 Kms.
before the
running of our
Closed Forest
Rally in Oct-
ober this year.

Conditions vary
from hard sand-
stone base to
soft sand.

The making of another rally track pushed through the scrub by Eric Vigar in his truck, with lots of help from members clearing the scrub away as he drove through.
